

Chairperson's Report

"Thank you... for your continued support and interest in the activities, growth and well-being of the organisation."

FAMSA has had another successful year providing essential services to clients, schools and the community at large.

There have been a number of new appointments on the staff as well as the Board of Management. We are thankful for the dedication of previous staff and board members and welcome all the new appointments.

The continued success of FAMSA would not be possible without the financial contributions from various parties, including, the National Lottery Fund, the Department of Social Development, Beeld-Kinderfonds and NWU SJGD. We are deeply appreciative of every contribution.

The Potchefstroom, Ikageng and Promosa offices have been continuing with their core activities which include counselling services as well as programmes on substance abuse and domestic violence.

Thank you for attending this annual general meeting and for your continued support and interest in the activities, growth and well-being of the organisation.

Yours sincerely,
Allison Geduld
